# Tableware

Set the stage for your dream wedding reception with our exquisite selection of tableware. From elegant charger plates to stylish and chic cutlery, our collection offers everything you need to elevate your dining experience. Explore our offers on the following page and let us help you create a memorable dining experience for your special day.

\*Bond required for all hire items. Amount varies depending on the amount and quantity of hire.

\*Bond fully refundable upon return of items in the same condition and quantity.

## Charger Plates

\$ 2.50 each

Our charger plates are exceptionally elegant. Made of clear plastic glass and decorated with gold beading around the edges, these plates make an outstanding piece for your wedding, engagements and other special occasion!

Charger plates are used under your main serving plates. They are an integral part of any upmarket luncheon or dinner event. The plates stand underneath the serving plates of the various courses as they are served. Table etiquette states that the charger plates should remain on the table until the desserts are served, at which time they are removed.

All must be cleaned and washed upon return.
