Artificial Floral Arrangements

Our artificial flower arrangements are made from high-quality silk materials to give that real and elegant look. Classic, elegant, whimsical or rustic – we can create them for you. We have a range of flower arrangements to choose from for your weddings and events.

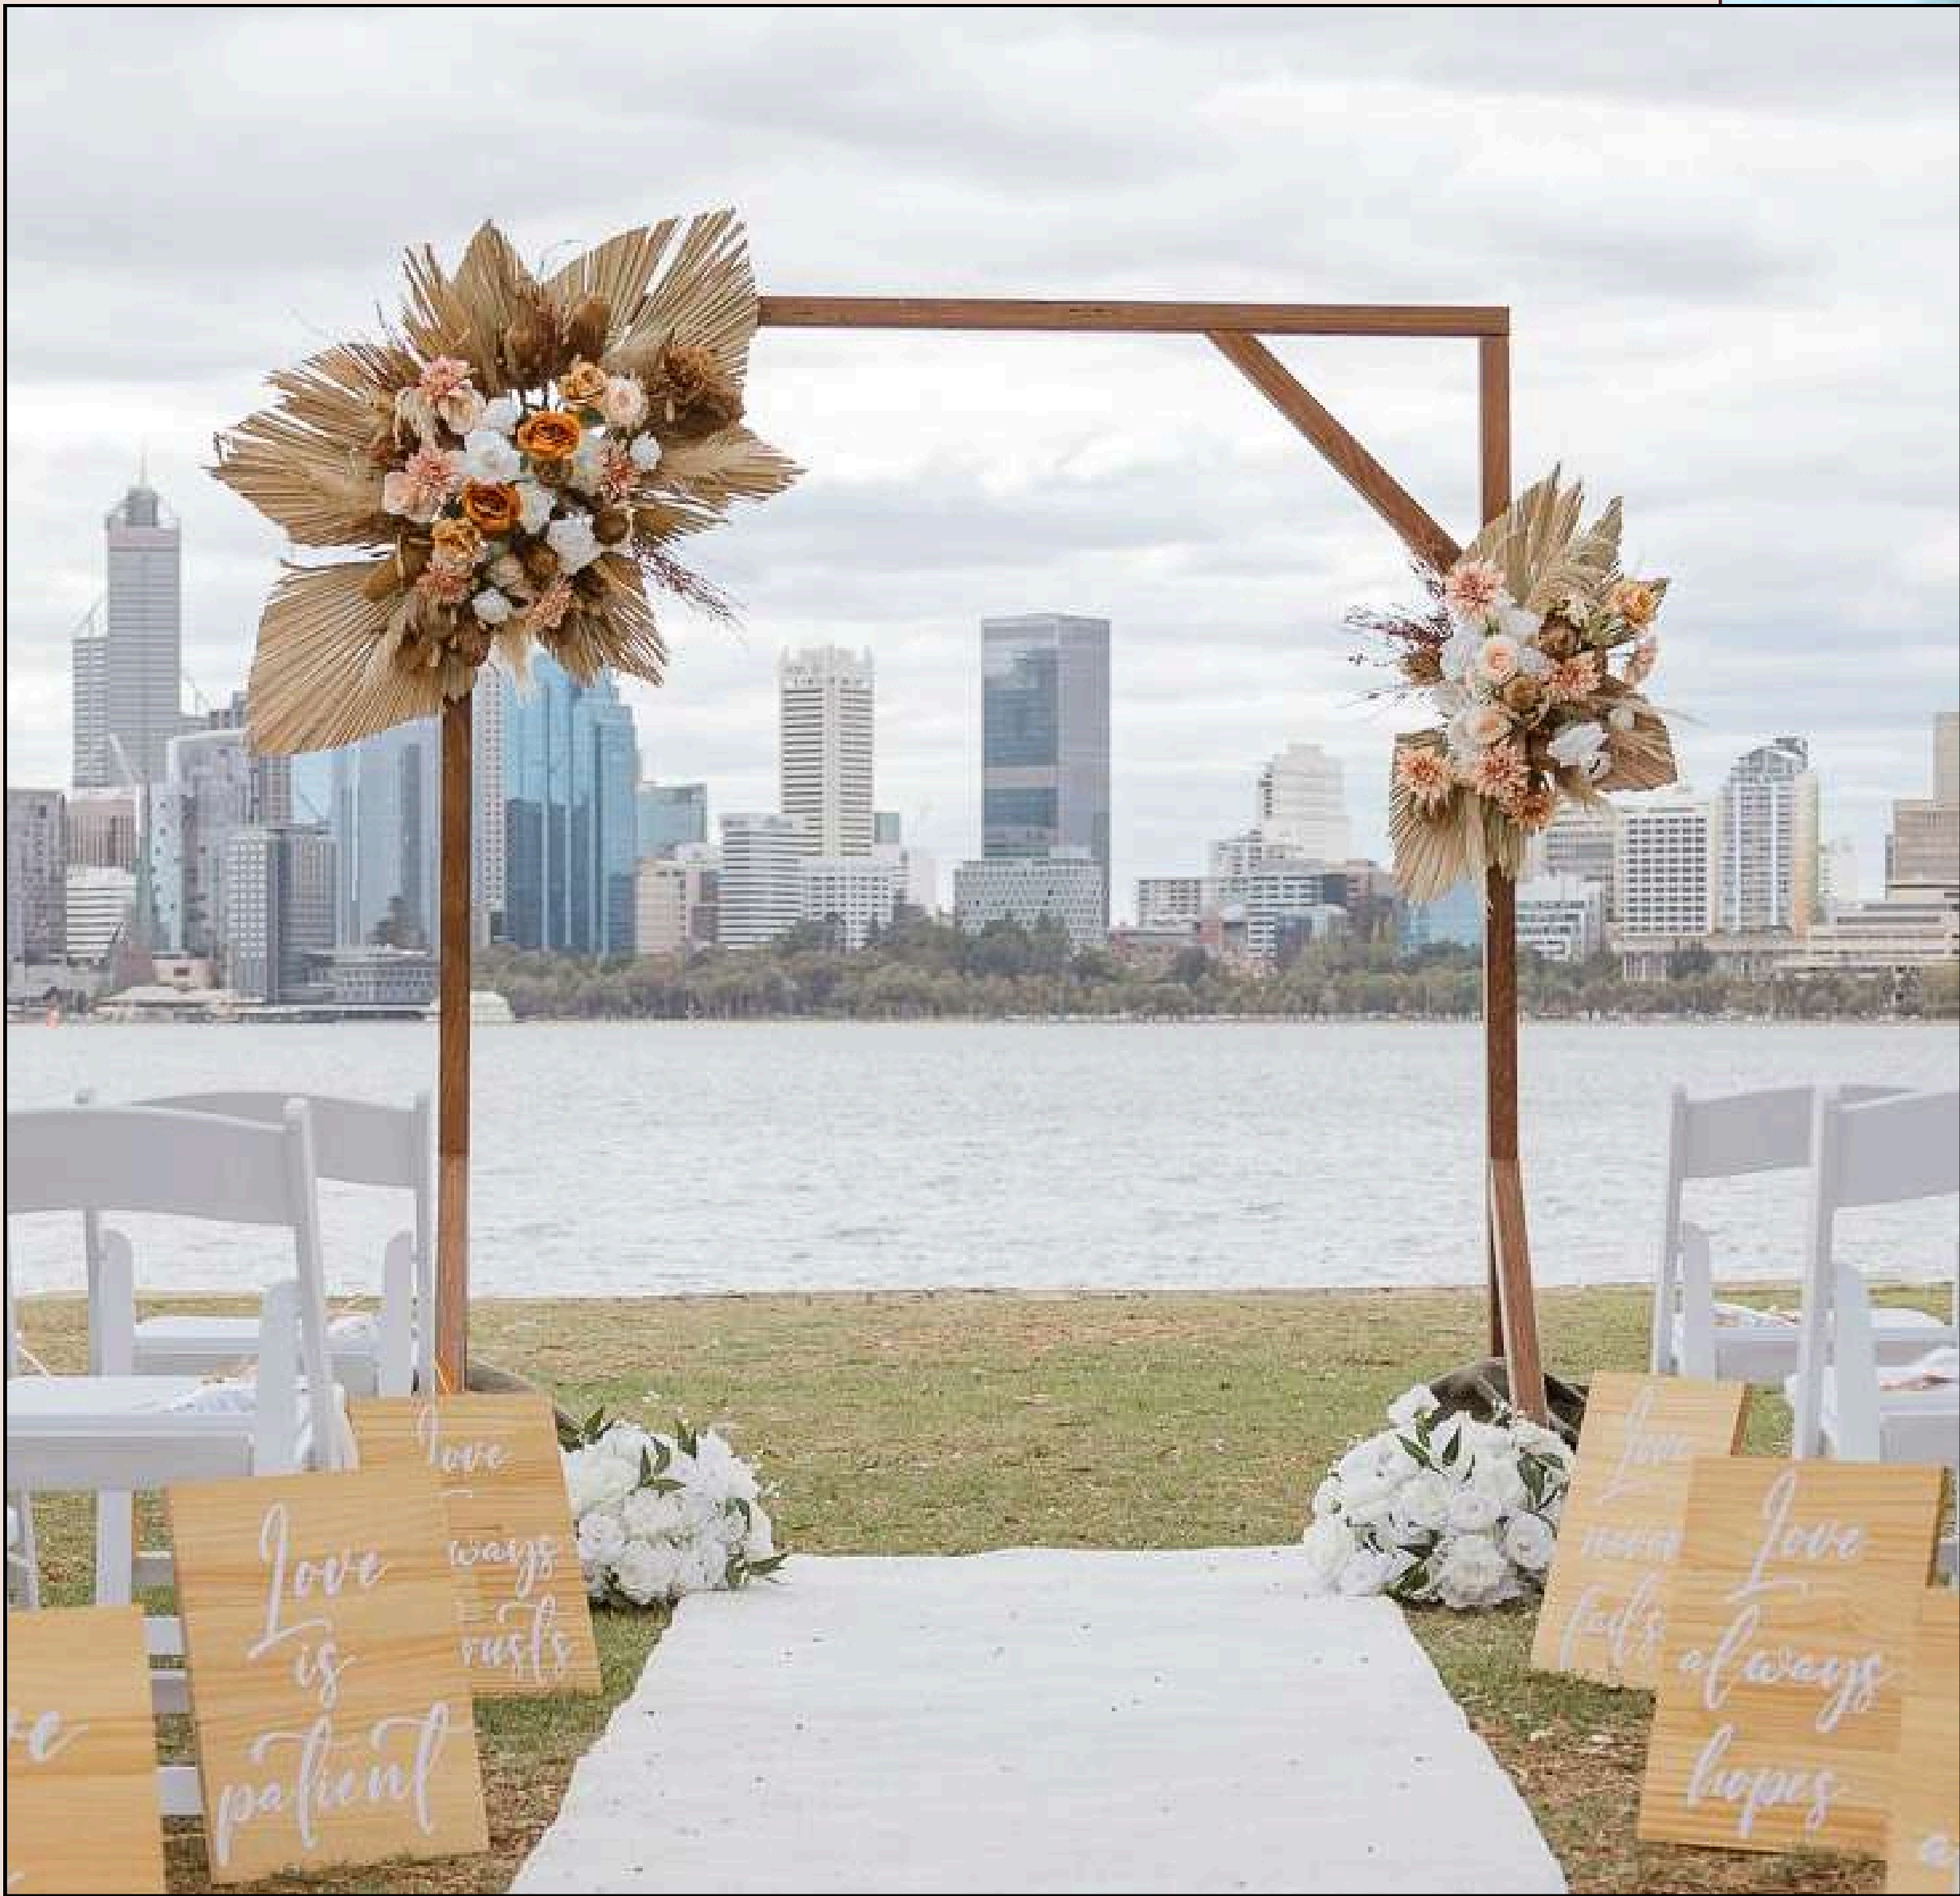

We can accommodate arrangements to hire or purchase, whichever is more convenient for you.

*Prices vary depending on size of the arrangement, and types and colours of flowers required for your arrangement.

*Please reach out for a quote.
